## Turn On, Tune In.

---

Hidden in plain sight, Sweet Loretta lives on 11th Avenue, in good company within Calgary's Design District. Our venue comprises two floors, with three distinct spaces catering to music enthusiasts and diners alike.

**Upstairs, you'll find an eclectic lounge and disco with rotating DJs, mid-century furnishings, and an expansive dance floor.**

With nods to Studio 54, this is a place where you can dress up and let loose! A Mediterranean-inspired menu boasts flavourful, light dishes, excellent for snacking and sharing. Fuel your night out with a wide-ranging, curated selection of drinks, including one-of-a-kind cocktails, wine, beer and free-of-spirit options.

To balance out the grandeur of the lounge and disco, head downstairs to OTTO for an intimate vibe.

Adorned with Polynesian treasures and offering a tiki-inspired menu, the drinks are boozy, and the eats are delectable. Get up close and personal with the DJs and party like you're in your parent's basement— if you need a great escape, this cozy, tropical space is the ticket.
